

Distribution Blocks

ERIFLEX offers a wide selection of compact halogen free single pole, two pole, and four pole distribution blocks and a complete range of assembly support products for easy fastening to DIN rails or steel sheet. The blocks offer easy assembly with visual inspection to allow for confirmation of connections to a wide range of conductors including ERIFLEX FLEXIBAR and IBSB/IBSBR. The high fill ratio ensures optimal electrical connectivity even in tight assemblies.

Single Pole Distribution Blocks

Two Pole Distribution Blocks

Four Pole Distribution Blocks

WARNING

Pentair products shall be installed and used only as indicated in Pentair's product instruction sheets and training materials. Instruction sheets are available at erico.pentair.com and from your Pentair customer service representative. Improper installation, misuse, misapplication or other failure to completely follow Pentair's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
